Note from the Directors:

Happy New Year! We are very excited to see what 2024 will bring – hopefully good health and fortune!

We are so grateful to be here for our students and families, and look forward to a fantastic 2024.

Our teachers have planned a strong curriculum to keep the children engaged in learning and growing independently. We look forward to seeing their bright smiling faces each day.

As always, we strive to serve our students and families to the best of our ability.
