## Dear ABMS Families

February is already here! We are half way through winter. Please take your children outside for some fun winter activities whenever possible.

This month is heart month and dental month. Let's try to eat smart by adding more vegetables and fruits to our meals and encourage our children to do the same. We will also be celebrating Black History Month by discussing several African American heroes with our students during group time.

We will be focusing on lessons of love and tolerance. As always, we strive for the best at Amazing Beginnings Montessori!

## Valentines Party

The party will be in the morning from 9:30am to 11:30am. All part time students are welcome to attend our valentines party!

The classroom teachers will be planning fun activities for the children in their respective classrooms. We will not be mixing any of the classes during the party.

Children are welcome to bring in treats to share! Please bring only store-bought treats. We will not be eating any candy at the school; it will all be sent home in bags. Families are not obligated to bring treats, but if you do please remember we are a nut-free facility.

If there is a card, please fill out only the part that says from \_\_\_\_\_ with your child's name.

## Important Information

- We will be closed on **Monday, Feb. 19th** for teacher in-service training.
