Dear EMAS Families,

We hope everyone continues to be healthy, safe, and happy. Thank you all so much for the love and appreciation you have shown all our teachers! It means a lot to us to know that we are appreciated.

This month we will complete our school year curriculum for our toddlers, preschoolers, pre-K, and kindergarten students. The children have worked so hard this year and are proud of all they have accomplished. Our teachers are delighted to see how far each child has come this year.

In the summer months, we will begin our theme calendar and water days!

As always, we strive for the best for each of our students and thank you for all your support.
