Dear Families,

It is hard to believe that spring is already here! This season of renewal and growth brings many exciting opportunities for learning. The children are enjoying the changes in nature, and this month we will explore spring through hands-on Montessori activities such as caring for plants, flower arranging, nature-inspired art, and counting activities. We will also introduce new spring vocabulary and read stories about plants, animals, and the outdoors.

As the weather becomes warmer, we will spend more time outside observing nature, practicing gross motor skills, and going on short nature walks.

We truly appreciate the support and trust you continue to show our school and staff. Our goal is to provide the best care and learning environment for your children. We will keep you updated on any important information or changes through email.

If you have any questions, concerns, or compliments, please feel free to reach out. We look forward to a fun, educational, and memorable spring season with your children!

Warmly,
EMAS Management

EMAS Late Pick-Up Policy:

EMAS Closes at 6 pm each day.
Caregivers picking up after 6 PM must pay closing staff \$1 / minute passed after 6 PM, and \$3 / minute after 6:15 pm.

Important
