Dear Families,

We hope this message finds you all healthy, safe, and happy. Thank you so much for the continued love and appreciation you have shown to our teachers your kind words and support truly mean a lot!

As we head into May, we are completing our school year curriculum for our toddlers, preschoolers, pre-K, and Kindergarten students. The children have worked incredibly hard, and we are so proud of all they have accomplished. It has been a joy for our teachers to witness each child's growth and development throughout the year.

Looking ahead, we are excited to kick off our summer fun! Starting next month, we will begin our themed activity calendar and water days is always a highlight for the students!

As always, we remain committed to providing the best experience for every child in our care. Thank you for being a part of our community and for your continued support.

Warmly,
ABMS Management
