Dear Montessori Families,

Happy October! As we embrace the beauty of fall, we are thrilled to share that our children are making wonderful progress in their curriculum. Their enthusiasm for learning and discovery is truly inspiring!

As the weather changes, please ensure your child comes dressed appropriately for the season. Layers are a great idea, as they allow for comfort both indoors and outdoors. We also kindly ask that you send extra clothes for your child, just in case they need a change during the day.

In our commitment to keeping everyone healthy, please inform us if your child is experiencing any illness. If your child has a fever, we ask that you keep them at home until they are fever-free for 24 hours without medication. This helps us maintain a safe environment for all our little ones.

Thank you for your continued support and cooperation. We're looking forward to a wonderful month ahead filled with learning and fun!

Warm Regards!
EMAS Management
